Due to the extreme urgency of our mission, I have worked to remove some of the fundamental barriers from our progress.

The chief stumbling block, huge above all others, is the upset we have with POTENTIAL TROUBLE SOURCES and their relationship to suppressive persons or groups.

A POTENTIAL TROUBLE SOURCE is defined as a person who while active in Scientology or a pc yet remains connected to a person or group that is a suppressive person or group.

A SUPPRESSIVE PERSON or GROUP is one that actively seeks to suppress or damage Scientology or a Scientologist by suppressive acts.

SUPPRESSIVE ACTS are acts calculated to impede or destroy Scientology or a Scientologist and which are listed at length in this policy letter.

1983 17:43 F.5
Scientologist caught in the situation of being in Scientology while still connected with a suppressive person or group is given present time problem of sufficient magnitude to prevent case gain, as only a PTP can halt progress of a case. Only ARC breaks worsen it. To the PTP is added ARC breaks with the suppressive person or group. The result is no-gain or deterioration of a case by reason of the suppressive connection in the environment. Any Scientologist, in his own experience, can probably recall some such cases and their subsequent upset.

Until the environment is handled, nothing beneficial can happen. Quite the contrary. In the most flagrant of such cases, the Scientologist's case worsened and the suppressive person or group sent endless distorted or false reports to press, police, authorities and the public in general.

Unless the potential trouble source, the preclear caught up in this, can be made to take action of an environmental nature to end the situation, one has a pc or Scientologist who may cave in or squirrel because of no case gain and also a hostile environment for Scientology.

This policy letter gives the means and provides the policy for getting the above situation handled.

A potential trouble source may receive no processing until the situation is handled.

Suppressive persons or groups relinquish their rights as Scientologists by their very actions and may not receive the benefits of the Codes of the Church.

The families and adherents of suppressive persons or groups may not receive processing. It does not matter whether they are or are not Scientologists. If the families or adherents of suppressive persons or groups are knowingly processed, any auditor doing so is guilty of a misdemeanor. (See HCO PL of 7 Mar. 65RA III, OFFENSES AND PENALTIES.)

A potential trouble source knowingly permitting himself or herself or the suppressive person to be processed without advising the auditor or Scientology authorities is guilty of a crime. (See HCO PL of 7 Mar. 65RA III, OFFENSES AND PENALTIES.)

SUPPRESSIVE ACTS

Suppressive acts are defined as actions or omissions undertaken to knowingly suppress, reduce or impede Scientology or Scientologists.

Such suppressive acts include:

Any felony (such as murder, arson, etc.) against person or property.

Sexual or sexually perverted conduct contrary to the well-being or good state of mind of a Scientologist in good standing or under the charge of Scientology, such as a student or a preclear.

Blackmail of Scientologists or Scientology organizations threatened or accomplished—in which case the crime being used for blackmail purposes becomes fully outside the reach of Ethics and is absolved by the fact of blackmail unless repeated.

1977 04 15 17:44

Using the trademarks and service marks of Dianetics and Scientology without express permission or license from the owner of the marks or its authorized licensee.

Falsifying records.

Testifying or giving data against Scientology falsely or in generalities or without personal knowledge of the matters to which one testifies.

Organizing splinter groups to diverge from Scientology practices still calling it Scientology or calling it something else.

Organizing a splinter group to use Scientology data or any part of it to distract people from standard Scientology.

Using Scientology (or perverted and alter-ised tech and calling it Scientology) harmfully so as to bring about disrepute to an org, group or Scientology itself.

Issuing alter-ised Scientology technical data or information or instructional or admin procedures, calling it Scientology or calling it something else to confuse or deceive people as to the true source, beliefs and practices of Scientology.

Unauthorized use of the materials of Dianetics and Scientology:

Holding, using, copying, printing or publishing confidential materials of Dianetics and Scientology without express permission or license from the author of the materials or his authorized licensee.

Falsely attributing or falsely representing oneself or others as source of Scientology or Dianetics technology; or using any position gained with staff and/or public to falsely attribute nonsource material to source or to falsely represent nonsource material as authorized Scientology or Dianetics technology.

Acts calculated to misuse, invalidate or alter-is legally or in any other way the trademarks and service marks of Dianetics and Scientology.

Intentional and unauthorized alteration of LRH technology, policy, issues or checksheets.

Developing and/or using squirrel processes and checksheets.

Knowingly giving testimony which is false, a generality or not based on personal knowledge to imperil a Scientologist.

Public disavowal of Scientology or Scientologists in good standing with Scientology organizations.

Public statements against Scientology or Scientologists but not to Committees of Evidence duly convened.

Proposing, advising or voting for legislation or ordinances, rules or laws directed toward the suppression of Scientology.

Pronouncing Scientologists guilty of the practice of standard Scientology.

- Testifying hostile before state or public inquiries to Scientology to suppress it.
- Reporting or threatening to report Scientology or Scientologists to civil authorities in an effort to suppress Scientology or Scientologists from practicing or receiving standard Scientology.
- Bringing civil suit against any Scientology organization or Scientologist, including the nonpayment of bills or failure to refund, without first calling the matter to the attention of the International Justice Chief and receiving a reply.
- Demanding the return of any or all fees paid for standard training or processing actually received or received in part and still available but undelivered only because of departure of the person demanding (the fees must be refunded but this policy applies).
- Writing anti-Scientology letters to the press or giving anti-Scientology or anti-Scientologist data to the press.
- Continued membership in a divergent group.
- Continued adherence to a person or group pronounced a suppressive person or group by HCO.
- Failure to handle or disavow and disconnect from a person demonstrably guilty of suppressive acts.
- Being at the hire of anti-Scientology groups or persons.
- Calling meetings of staffs or field auditors or the public to deliver Scientology into the hands of unauthorized persons or persons who will suppress it or alter it or who have no reputation for following standard lines and procedures.
- Infiltrating a Scientology group or organization or staff to stir up discontent or protest at the instigation of hostile forces.
- Mutiny.
- Seeking to splinter off an area of Scientology and deny it properly constituted authority for personal profit, personal power or "to save the organization from the higher officers of Scientology."
- Engaging in malicious rumormongering to destroy the authority or repute of higher officers or the leading names of Scientology or to "safeguard" a position.
- Delivering up the person of a Scientologist without justifiable defense or lawful protest to the demands of civil or criminal law.
- Receiving money, favors or encouragement to suppress Scientology or Scientologists.
- Using an org position or comm line to build up a private practice which reroutes org students, pcs and/or staff off org lines.
- Severe breach of ecclesiastical and/or fiduciary duty as an executive or corporate official of any Scientology or Dianetics organization which has resulted in severe harm, loss or disrepute for Scientology or the organization.

Using Scientology lines for personal profit in such a way to cause disruption in the organization or to block the flow of public up the Bridge.

Using the mailing lists of Scientology or Dianetics organizations for personal profit or gain.

Employing org staff members to the detriment of the production or the establishment of the organization.

Providing an organization's preclear folders, ethics files, student files, accounts files, Central Files folders or Central Files lists or partial lists or Addresso lists or partial lists to any individual, group, organization, mission or other unit or agency for any reason or purpose, except those covered explicitly in existing Church policy; or to provide such files or lists to any individual, group, organization, mission or other unit or agency which is unauthorized by or in bad standing with the Mother Church.

Calculated efforts to disrupt Church services or the flow of public up the Bridge through the Churches.

Refusal to allow staff or public to progress up the Bridge or creating blocks on the Bridge preventing such progression.

Blatant and willful obstruction of Church operations or interference with Church contractual and other obligations to the detriment of Church expansion or activities.

Violation or neglect of any of the ten points of Keeping Scientology Working, as listed here:

One: Having the correct technology.

Two: Knowing the technology.

Three: Knowing it is correct.

Four: Teaching correctly the correct technology.

Five: Applying the technology.

Six: Seeing that the technology is correctly applied.

Seven: Hammering out of existence incorrect technology.

Eight: Knocking out incorrect applications.

Nine: Closing the door on any possibility of incorrect technology.

Ten: Closing the door on incorrect application.

Violations of any of the ten points listed below that are Technical Degrades:

1. Abbreviating an official course in Dianetics and Scientology so as to lose the full theory processes and effectiveness of the subjects.
2. Adding comments to checksheets or instructions labeling any material "background" or "not used now" or "old" or any similar action which

will result the student not knowing, using and applying the data in which he is being trained.

3. Employing after 1 Sept. 1970 any checksheet for any course not authorized by myself or the Authority, Verification and Correction Unit International (AVC Int).

(Hat checksheets may be authorized locally.)

4. Failing to strike from any checksheet remaining in use meanwhile any such comments as "historical," "background," "not used," "old," etc., or *verbally stating it to students*.
5. Permitting a pc to attest to more than one grade at a time on the pc's own determinism without hint or evaluation.
6. Running only one process for a lower grade between 0 to IV, where the grade end phenomena has not been attained.
7. Failing to use all processes for a level where the end phenomena has not been attained.
8. Boasting as to speed of delivery in a session, such as "I put in Grade 0 in three minutes." Etc.
9. Shortening time of application of auditing for financial or labor-saving considerations.
10. Acting in any way calculated to lose the technology of Dianetics and Scientology to use or impede its use or shorten its materials or its application.

Musical chairs (transfers of persons around an org) is *the single most destructive action to an org's stats*.

A stupid or suppressive person will tear up Division A to get personnel for Division B. These errors are of long duration, and they do more to destroy an org than any other action: (A) Making a hole in one place to remedy a hole in another, (B) Training a person for tech but not admin and putting him in admin, (C) Using the Technical Divisions as personnel pools from which to man other divisions, (D) Rapid shifts of post, (E) Leaving areas in an org unmanned. These personnel errors (or crimes) cause every staff member to suffer in terms of lowered income, lowered pay, lowered facilities, lowered success.

Noise, session interruption. Loud sudden noises, loud bursts of laughter, shouting, whistling, noisy conversation in the area of sessions. As such noises are interruptive of processing, persons making such are to be reported to Ethics. The following penalties will automatically accrue without recourse: One report will be a suspension of training for one week. Two reports will be declaration of the offender as a suppressive person.

Comm cycle additives. There are *no* additives permitted on the auditing comm cycle. It is a serious matter to get a preclear to clarify his answer. It is in fact an Ethics matter and if done habitually is a suppressive act, for it will wipe out all gain.

Withhold of vital information. Obstruction of vital technical or management information lines in such a way as to deny people tech data, prevent students and pcs moving up the Bridge, or obstructing the relay, disclosure or free distribution of vital information so as to prevent its arriving amongst the public and orgs in terms of results.

Informing fellow staff members and others that one is leaving staff. Where a person is secretly planning to leave and making private preparations to do so without informing the proper terminals in an org and does leave (blow) and does not return within a reasonable length of time, an automatic declare is to be issued. Should any monies or organizational property be found to be missing in consequence, action is to be taken on criminal charges.

The following policy violation is the highest crime in Tech or Qual:

Tolerating the absence of or not insisting upon star-rated checkouts on all processes and their immediate technology and on relevant policy letters on HGC interns or staff auditors in the Tech Division or staff auditors or interns in the Qual Division for the levels and actions they will use before permitting them to audit org pcs, and on Supervisors in Tech and Qual who instruct or examine or failing to insist upon this policy or preventing this policy from going into effect or minimizing the checkouts or lists.

Spreading false tales to invalidate Clears or spreading libelous and slanderous statements about the alleged behavior of Clears.

It is a high crime to cut the basic communication lines of Scientology. This includes instances where impedance or negligence denies adequate supply of technical materials to HGC or Qual auditors and to Dianetics or Scientology students.

Knowingly falsifying an auditing report in order to make oneself seem more competent than one is or to hide departures from the Case Supervisor or to omit vital data necessary to case supervising resulting in upsets to a case and time spent in investigation by seniors is actionable by Committee of Evidence, and if the matter is proven beyond reasonable doubt, a cancellation of all certificates and awards, a declare and expulsion order are mandatory.

Permitting in a course room any of the six out-ethics activities listed below is a Committee of Evidence offense, and Supervisors, Directors of Training, Technical Secretaries, Qualifications Secretaries or Ethics Officers so found guilty are subject to declare as a suppressive person.

1. Not mustering students in the morning, after lunch and after dinner, precisely on time, not noting absences and taking action.
2. Permitting students to talk to each other or wander around or take unscheduled breaks or goof off during course hours.
3. Permitting students to eat or smoke in the course room.
4. Permitting persons to come into the course room and bother students for any reason.
5. A Course Supervisor standing around or sitting at his desk not actively handling students who need help.

6. Not getting students through their course and graduated.

Any Case Supervisor case supervising for a level for which he has not been trained is subject to the suspension of all certificates and deprivation of all bonuses as well as refund of all bonuses ever obtained while case supervising, as a Case Supervisor, levels for which he has not been trained above or below his class. This does not limit the penalties which can be applied which can include declare and expulsion.

Any staff member who either verbally or by his actions threatens to crash or deliberately crashes his stats in order to avoid a legal or on-policy order or ethics action is to be instantly declared.

It is a high crime for any staff member to knowingly or unknowingly waste org book stocks or cause them to be wasted or tampered with.

It is further a high crime for a staff member, Bookstore Officer or executive to fail to take the necessary precautions for the protection and correct use of org book stocks.

It is a high crime to publicly depart Scientology.

Any repeated or continued violation of the five points of our study tech listed below, after two Courts of Ethics for violation of these points, subjects the person to a Committee of Evidence on the charge of committing an act or omission undertaken to knowingly suppress, reduce or impede Scientology or Scientologists, and if found guilty beyond reasonable doubt, the person may be declared suppressive and expelled with full penalties:

1. A person may be summoned to a Court of Ethics or Executive Court of Ethics if it be found that he has gone past a word he does not understand when receiving, hearing or reading an order, HCOB, policy letter or tape, any and all LRH written or printed materials including books, PABs, despatches, telexes and mimeo issues which resulted in a failure to do duties of his post, without his at once making an effective effort to clear the words on himself, whether he knew he was missing them or not, as the source of his inaction or damaging actions.

The charge is *neglecting to clarify words not understood*.

2. A staff member who does not use study tech or get it known while studying or instructing may be summoned to a Court of Ethics or an Executive Court of Ethics.

The charge is *failure to employ study tech*.

3. A student alter-ising or misadvising others on the use of study tech may be summoned before a Court of Ethics.

The charge is *advocating a misuse or neglect of proper study tech*.

4. An auditor failing to clear each and every word of every command or list used may be summoned before a Court of Ethics.

The charge is *out-tech*.

5. Any Public Division person, staff member or Scientologist found using terms, circumstances or data on raw public in public lectures or promotion or in PR beyond the public ability to grasp without stressing study tech or at once taking effective measures to clarify, or releasing materials broadly to a wrong public may be summoned to a Court of Ethics if any flap or upset results.

The charge is *failure to apply study tech in dissemination.*

To alter and pervert tech or procedure to prevent discovery of withholds is classified as a suppressive act. This enters many areas: changing or losing issues, issuing issues in Board Technical Bulletin (BTB) or Board Policy Letter (BPL) form that contain incorrect and misleading data, posting known criminals or incompetents to training posts, verbal tech or any action which would prevent tech from being known or correctly used.

Where proven beyond reasonable doubt that funds and business have been diverted from an org to its detriment, a declare order on those responsible is mandatory, and possible criminal prosecution may be undertaken.

Admitting a famous person or notable writer to higher-level processing who has not fully attained lower-level processing. This applies in particular to Power, Clearing Courses and OT Courses.

Failure to strenuously act to clean up an "ARC broken field" shall be deemed a high crime for an Executive Council.

It is a high crime to permit suppressive and PTS people in Publications Orgs or departments or in Department 16C (Division 6A, advertising) as these will starve both the public and the org.

Any executive issuing an order that certain HCO PLs or HCOBs are not to be followed, where this is proven beyond reasonable doubt, shall be considered as having committed a high crime, and this can carry the assignment of the condition of Treason for both the person issuing the order and the person who receives and executes it.

Any auditor seeing a rock slam on a preclear and failing to mark it down and report it is guilty of a high crime, as this injures society, the org and the person himself.

When a preclear has roller-coastered despite a floating needle at session end and at Examiner's and if neither Tech nor Qual makes any effort to remedy, then the matter becomes a high crime.

If red tags, per the Examiner's 24-hour rule, continue unhandled by Tech or Qual, the matter becomes a high crime.

It is a high crime for a Case Supervisor not to WRITE in a preclear's folder what the case supervised instructions are and a high crime for an auditor to accept verbal C/S instructions.

Word clearing any words on any test at any time is a high crime. It suppresses tech results and obscures them.

It is a high crime for a person to supervise a course who does not know, apply and continually use his study tech on every individual student.

It is also a high crime for a Director of Training or a Tech Sec or an Esto to have anyone supervising without FULL USE OF STUDY TECH.

It is a Committee of Evidence offense for a Case Supervisor or auditor to C/S or accept for processing and process any illegal pc. (Ref: HCOB 6 Dec. 76RB, ILLEGAL PCs, ACCEPTANCE OF, HIGH CRIME BULLETIN)

Feeding the Clear cognition to any individual, evaluating for a pc on this subject or coaxing him to any cognition is criminal and a comm-evable offense. Clears are made through auditing, not by feeding cognitions to pcs.

Declaring a Dianetic Clear "achieved in other practices."

Falsely declaring someone Dianetic Clear who isn't and failing to declare one who made it on Dianetics or the Clearing Course or who has *always* been Clear.

It is a high crime for an executive to penalize auditors, C/Ses, Tech/Qual or Ethics Officers for following HCOBs or HCO PLs, especially when it is due to the executive's withholds. (It is also a high crime to falsely charge an executive with the above.)

Attempting to undermine or advising or encouraging or condoning the abandonment or reduction of use of the full technology of locating and handling overts, evil purposes, destructive intentions and nonsurvival considerations.

Neglecting, advising against the application of, failing to enforce or tolerating the omission of standard Word Clearing and star-rate checkouts on all new or newly revised HCO Policy Letters, as well as the key HCO PLs of the Basic Staff Member Hat and the key policies of the staff member's specific assigned post, by every staff member. In the Sea Organization this applies to LRH CBOs and Flag Orders as well as HCO Policy Letters.

Violation of any of the eleven points listed below which are Admin Degrades:

1. Abbreviating an official course in standard Scientology administrative policy so as to lose the full theory, administrative procedures and effectiveness of the subject.
2. Adding comments to the Org Exec Course or other administrative check-sheets or instructions, policies or directives labeling any material "background" or "not used now" or "old" or "it doesn't need to be followed exactly," or any similar action which will result in the student not knowing, using and applying the standard administrative data in which he is being trained.
3. Employing any checksheet for any administrative course not authorized by the Authority, Verification and Correction Unit International (AVC Int) or, in the case of hat checksheets, duly authorized per HCO PL 30 Sept. 70, CHECKSHEET FORMAT.
4. Failing to strike from any administrative or hat checksheet any such

comments as "historical," "background," "not used," "old," etc., or VERBALLY STATING IT TO STUDENTS.

5. Failing to hat and apprentice a staff member on the full policy and actions of his post.
6. Discouraging or preventing a staff member, administrator or executive from training on the full Org Exec Course and Flag Executive Briefing Course.
7. Failing to insist upon precise and exact application of the Data Series policy letters in investigations and evaluations.
8. Running any organization on squirrel "policy" or third dynamic administrative or management procedures that are contrary to approved policy.
9. Using any squirrel administrative procedure in managing an organization while falsely labeling it Scientology policy.
10. Using Scientology policy but calling it something else or attributing it to some other source.
11. Acting in any way calculated to lose standard Scientology policy to use or impede its use or shorten its materials or its application.

It is a high crime for anyone who has not fully and successfully completed the Hubbard Key to Life Course to supervise or otherwise administer this course to another or others.

Feeding a person the end phenomena of the Hubbard Key to Life Section 2B Clay Table Process is classified as a suppressive act, because it will probably harm his progress and hurt his chances. Penalties for doing so could include expulsion.

Forcing auditing on a pc when he is refusing or protesting it, rather than finding out why the pc doesn't want the auditing and straightening it out is using auditing suppressively. Any C/S or auditor guilty of this must be handled with group justice proceedings which would include a Comm Ev and could include a penalty of being declared suppressive and expelled from the Church.

Additionally, a crime, if severe and of magnitude, harmful to many and committed repeatedly, can be reclassified as a high crime. (See HCO PL 7 Mar. 65RA III. OFFENSES AND PENALTIES, for those actions which classify as crimes.)

Suppressive acts are clearly those covert or overt acts knowingly calculated to reduce or destroy the influence or activities of Scientology or prevent case gains or continued Scientology success and activity on the part of a Scientologist. As persons or groups that would do such a thing act out of self-interest only to the detriment of all others, they cannot be granted the rights ordinarily accorded rational beings.

If a person or a group that has committed a suppressive act comes to his, her or their senses and recants, his, her or their only terminal is the International Justice Chief, via the Continental Justice Chief, who:

- A. Tells the person or group to stop committing present time overts and to cease all attacks and suppressions so he, she or they can get a case gain;
- B. Requires a public announcement to the effect that they realize their actions were ignorant and unfounded and stating where possible the influences or motivations which caused them to attempt to suppress or attack Scientology; gets it signed before witnesses and published broadly, particularly to persons directly influenced or formerly associated with the former offender or offenders. The letter should be calculated to expose any conspiracy to suppress Scientology or the preclear or Scientologist if such existed;
- B1. Requires that all debts owed to Scientology organizations or missions are paid off;
- B2. May require that, subject to the approval of the International Justice Chief, an amends project suitable and commensurate with the severity and extent of the suppressive acts committed be completed before further A to E steps are undertaken;

Before any such amends project is begun, the person must submit an Amends Project Petition to the International Justice Chief, using full CSW and stating what he proposes to do as amends, and this must be approved by the International Justice Chief to be considered valid. (Ref: HCO PL 1 May 65, STAFF MEMBER REPORTS, and HCO PL 1 May 65 II, ORDER BOARD AND TIME MACHINE) Evidence of genuine ethics change may be required before approval of the amends project is given. (Examples of such evidence might be, depending upon the high crimes committed: the person has obtained an honest job; has paid off all debts owed to others; valid contributions have been made to the community; the person has totally ceased those actions for which he was declared, etc.);

It is also within the power of the International Justice Chief, when approving an Amends Project Petition, to require, as a protector of the Church and its tenets and membership, that such amends project be carried out entirely off any Scientology organization, mission or network lines, and to require, before the amends project may be considered complete, extensive evidence over a protracted period of time that the person has, beyond any doubt, ceased his or her suppressive actions, has created no problems for the Church or any member of the Church in any way on any line, and has undertaken and completed an action which is clearly and undeniably of benefit to mankind;

- C. Requires training beginning at the lowest level of the Bridge at their expense if executives in charge of training will have the person or the group members;
- D. Makes a note of all of the above matters with copies of the statement and files in the ethics files of those concerned;
- E. Informs the International Justice Chief and forwards a duplicate of the original statements which show signatures.

Any potential trouble source owing money to any Scientology organization is handled the same as any other Scientologist. Failure to discharge a financial obligation becomes a civil matter after normal, within-org avenues of collection have been exhausted.

Any PTS who fails to either handle or disconnect from the SP who is making him or her a PTS is, by failing to do so, guilty of a suppressive act.

Civil court action against SPs to effect collection of monies owed may be resorted to, as they are not entitled to Scientology ethics procedures.

Until a suppressive person or group is absolved or until permitted to actively engage in the training required in point C, as duly authorized and published, his, her or their only Scientology terminal is the International Justice Chief via the Continental Justice Chief, or members of a duly authorized and convened Committee of Evidence.

A suppressive declare order upon a person or group and all of the conditions inherent within it remain in force until the order has been officially cancelled by an authorized and published Church issue.

Also, until a suppressive person or group is absolved, but not during the period when the person requests and has a Committee of Evidence, or an amnesty occurs, no Scientology ethics other than this HCO Policy Letter applies to such persons, no Committee of Evidence may be called on any Scientologist or person for any offenses of any kind against the suppressive person except for offenses which violate the laws of the land or except to establish in cases of real dispute whether or not the person was suppressing either Scientology or the Scientologist.

Such persons are in the same category as those whose certificates have been cancelled, and persons whose certificates, classifications and awards have been cancelled are also in this category.

The imagination must not be stretched to place this label on a person. Errors, misdemeanors and crimes do not label a person as a suppressive person or group. Only high crimes do so.

A Committee of Evidence may be called by any convening authority who wishes more concrete evidence of efforts to suppress Scientology or Scientologists, but if such a committee's findings, passed on, establish beyond reasonable doubt suppressive acts, this policy letter applies.

Outright or covert acts knowingly designed to impede or destroy Scientology or Scientologists is what is meant by acts suppressive of Scientology or Scientologists.

The greatest good for the greatest number of dynamics requires that actions destructive of the advance of the many, by Scientology means, overtly or covertly undertaken with the direct target of destroying Scientology as a whole, or a Scientologist in particular, be summarily handled due to the character of the reactive mind and the consequent impulses of the insane or near insane to ruin every chance of mankind via Scientology.

POTENTIAL TROUBLE SOURCE

A Scientologist connected by familial or other ties to a person who is guilty of suppressive acts is known as a potential trouble source or trouble source. The

history of Dianetics and Scientology is strewn with th . Confused by emotional ties, dogged in refusing to give up Scientology, yet invalidated by a suppressive person at every turn, they cannot, having a PTP, make case gains. If they would act with determination one way or the other—reform the suppressive person or otherwise standardly handle the situation—they could then make gains and recover their potential. If they make no determined move, they eventually succumb.

Therefore, this policy letter extends to suppressive non-Scientology wives and husbands and parents, or other family members or hostile groups or even close friends. So long as a wife or husband, father or mother or other family connection, who is attempting to suppress the Scientology spouse or child, or hostile group remains continually acknowledged or in communication with the Scientology spouse or child or member, then that Scientologist or preclear comes under the *family* or *adherent* clause and may not be processed or further trained until he or she has taken appropriate action to cease to be a potential trouble source.

The validity of this policy is borne out by the fact that the US government raids and other troubles were instigated by wives, husbands or parents who were actively suppressing a Scientologist or Scientology or who were acting under the influences of persons or agencies who had deliberately misinformed them regarding Scientology. The suppressed Scientologist did not act in good time to avert the trouble by handling the antagonistic family member.

Any processing of the potential trouble source is denied or illegal while the connection exists, and a person not actively seeking to settle the matter may be subjected to a Committee of Evidence if processed meanwhile.

POTENTIAL TROUBLE SOURCES AND DISCONNECTION

The subject and technology of "disconnection" is thoroughly covered in HCOB 10 Sept. 83, PTSness AND DISCONNECTION, and in the basic technical materials referenced therein.

Unwarranted or threatened disconnection has the recourse of the person or group being disconnected from requesting a Committee of Evidence from the nearest convening authority (or HCO) and producing to the committee any evidence of actual material assistance to Scientology without reservation or bad intent. The committee must be convened if requested.

The real motives of suppressive persons have been traced to quite sordid hidden desires—in one case the wife wanted her husband's death so she could get his money and fought Scientology because it was making the husband spiritually well. Without handling the wife or the connection with the woman, the Scientologist, as family, drifted on with the situation, and the wife was able to cause a near destruction of Scientology in that area by false testimony to the police and government and press. Therefore, this is a serious thing—to tolerate or remain connected to a source of active suppression of a Scientologist or Scientology without standardly handling or acting to expose the true motives behind the hostility and reform the person. No money particularly may be accepted as fee or loan from a person who is "family" to a suppressive person and therefore a potential trouble source. There is no source of trouble in Scientology's history greater than this one for frequency and lack of attention.

F. 113

Anyone absolved of suppressive acts by an amnesty by a Committee of Evidence ceases to be declared suppressive. Anyone found guilty of suppressive acts by a Committee of Evidence and its convening authorities remains declared unless saved by an amnesty.

This policy letter is calculated to prevent future distractions of this nature as time goes on.

RIGHTS OF A SUPPRESSIVE PERSON OR GROUP

A truly suppressive person or group has no rights of any kind as Scientologists.

However, a person or group may be falsely labeled a suppressive person or group. Should the person or group claim the label to be false, he, she or they may request a Committee of Evidence via their nearest Continental Justice Chief. The executive with the power to convene a Committee of Evidence must do so if one is requested for recourse or redress of wrongs.

The person or representative of the group labeled suppressive is named as an interested party to the committee. They attend it where it convenes.

The committee must pay attention to any actual evidences that the person or group that is accused of being suppressive may produce, particularly to the effect of having helped Scientology or Scientologists or a Scientologist, and if this is seen to outweigh the accusations, proof or lack of it, the person is absolved.

Any knowingly false testimony, forgeries or false witnesses introduced by the person or group accused of being suppressive can result in an immediate finding against the person or group.

Any effort to use copies of the testimony or findings of a Committee of Evidence called for this purpose or holding it to scorn in a civil court immediately reverses any favorable finding and automatically labels the person or group suppressive.

If the findings, as passed upon by the convening authority and the International Justice Chief, demonstrate guilt, the person or group is so labeled as a suppressive person or group.

Failing to prove guilt of suppressive acts, the committee must recommend to absolve the person or group publicly.

When a person, by some circumstance, has been incorrectly declared, then *after* he has had a Committee of Evidence and the Suppressive Person Declare Order has been cancelled, he may, if he wishes, request a Board of Review who, upon full review of the matter, may if warranted ask for the return of lost pay or status the person may have experienced while incorrectly declared a suppressive person. (Ref: HCO PL 23 Feb. 78R, BOARD OF REVIEW)

RECOURSE OF A POTENTIAL TROUBLE SOURCE

A person labeled a potential trouble source and so barred from receiving auditing, may request a Committee of Evidence of the nearest Continental Justice Chief via HCO as recourse if he or she contests the allegation.

The Committee of Evidence requested must be convened by the nearest convening authority.

If evidences of disconnection are given, the Committee of Evidence findings and recommendations and the convening authority, once the findings are duly approved, must remove the label of potential trouble source from the Scientist. If the alleged suppressive person or group is clearly and beyond reasonable doubt shown not to be guilty of suppressive acts or is shown clearly to have reformed, the Committee of Evidence must recommend removal of the label suppressive person or group from the suspected person or group. However, once a person or group has been declared suppressive by an authorized, published order, the removal or lifting of the declare order or label must be approved by the International Justice Chief.

But should the former potential trouble source's state of case show no gain after reasonable time in processing, any executive of Division 4 (Training and Processing) may order a new Committee of Evidence in the matter, and if it and its convening authority recommend to reverse the former findings, and if such findings are approved on International Justice lines, the labels are applied. But no auditor may be disciplined for auditing either during the period between the two findings.

RECOURSE OF AN AUDITOR

An auditor disciplined for processing a potential trouble source or a suppressive person or a member of a suppressive group may request a Committee of Evidence if he can persuade the potential trouble source and the suppressive person or a representative of the suppressive group to appear before it.

The auditor so requesting may also have named as an interested party or parties with himself the person or persons who supplied the information or misinformation concerning his actions.

No damages or costs may be borne by or ordered by a Committee of Evidence in cases involving potential trouble sources or suppressive persons or groups.

When the potential trouble source or suppressive person or group representative fails to appear before a Committee of Evidence on a bill of particulars labeling persons as potential trouble sources or suppressive persons or groups at the published time of its convening, the bill of particulars stands as proven and the convening authority is bound so to declare.

EVIDENCE OF DISCONNECTION

Any HCO Secretary may receive evidences of disconnection or disavowal and, on finding them to be bona fide, must place copies of such evidences in the ethics file and in the CF folders of all persons named in them.

The disconnecting person then ceases to be a potential trouble source (once any additional PTS handling of a technical nature required by the Case Supervisor has been successfully completed).

The procedure for recanting suppressive person of group is outlined above.

EVIDENCES OF SUPPRESSION

It is wise for any Scientologist, HCO Secretary or Committee of Evidence in matters concerning suppressive acts to obtain valid documents, letters, testimonies duly signed and witnessed, affidavits duly sworn to and other matters and evidences which would have weight in a court of law. Momentary spite, slander suits, charges of Scientology separating families, etc., are then guarded against.

If matters concerning suppressive acts are given good and alert attention, properly enforced, they will greatly accelerate the growth of Scientology and bring a new calmness to its people and organizations and far better case gains where they have not heretofore been easy to achieve.

Preclears with present time problems, ARC broken with associated but suppressive persons, will not obtain case gains but on the contrary may experience great difficulty.

Observance of these facts and disciplines can help us all.

Nothing in this policy letter shall ever or under any circumstances justify any violation of the laws of the land or intentional legal wrongs. Any such offense shall subject the offender to penalties prescribed by law as well as to ethics and justice actions.

SUPPRESSIVE PERSON DECLAREGERRY ARMSTRONG

GERRY ARMSTRONG of California is hereby declared a SUPPRESSIVE PERSON for the following Crimes and High Crimes.

1. Violation of HCO PL 7 December 1976 LEAVING AND LEAVES, which states: "Where a person is secretly planning to leave and making private preparations to do so without informing the proper terminals in an org and does leave (blow) and does not return within a reasonable length of time an automatic Declare is to be issued."
2. Spreading destructive rumours about senior Scientologists.
3. Announcing departure from Scientology (but not by reason of leaving an organization, a location or situation or death).

Gerry took an unauthorized leave at Christmas and has refused to return and route out properly, although he has been contacted and requested to do so. Following his blow he has made statements to the effect that he is no longer a Scientologist and that the tech does not work. He has also made derogatory statements to three staff members concerning a Senior Scientologist. Gerry has also stated that people should leave Scientology.

Should Gerry come to his senses and wish to recant, he is to apply steps A-E of HCO PL 16 May 80 Iss III ETHICS, SUPPRESSIVE ACTS, SUPPRESSION OF SCIENTOLOGY AND SCIENTOLOGISTS. Should he fail to apply these steps he will be expelled from the Church of Scientology and debarred from Advanced Courses. Should he claim the label to be false, he may request a Committee of Evidence, per the above referenced policy.

His only terminal is the Continental Justice Chief PAC.

GERRY ARMSTRONG, now of Costa Mesa, California, is hereby DECLARE A SUPPRESSIVE PERSON according to HCO PL 7 Dec 76 LEAVING AND LEAVES:

"Where a person is secretly planning to leave and making private preparations to do so without informing the proper terminals in an org and does leave (blow) and does not return within a reasonable length of time an automatic Declare is to be issued."

Gerry took an unauthorized leave in December 1981 and has refused to return and route out properly although he has been contacted and repeatedly requested to do so.

Since Gerry was declared on 18 Feb 1982, reports have been made that also bring the following charges against him for Crimes and High Crimes and Suppressive Acts against the Church:

1. THEFT.
2. ILLEGALLY TAKING OR POSSESSING CHURCH PROPERTY.
3. RESELLING ORG MATERIEL FOR PRIVATE GAIN.
4. IMPERSONATING A SCIENTOLOGIST OR STAFF MEMBER WHEN NOT AUTHORIZED
5. FALSIFYING REPORTS.
6. MAKING OUT OR SUBMITTING OR ACCEPTING FALSE PURCHASE ORDERS.
7. JUGGLING ACCOUNTS.
8. OBTAINING LOANS OR MONEY UNDER FALSE PRETENSES.
9. ISSUING THE DATA OR INFORMATION OR INSTRUCTIONAL OR ADMINISTRATIVE PROCEDURES WITHOUT CREDIT OR FALSELY ASSIGNING CREDIT FOR THEM TO ANOTHER.
10. ENGAGING IN MALICIOUS RUMOUR-MONGERING TO DESTROY THE AUTHORITY OR REPUTE OF HIGHER OFFICERS OR THE LEADING NAMES OF SCIENTOLOGY OR TO "SAFEGUARD" A POSITION.

11. SEEKING TO SPLINTER OFF AN AREA OF SCIENTOLOGY AND DENY IT PROPER CONSTITUTED AUTHORITY FOR PERSONAL PROFIT, PERSONAL POWER OR "TO SAVE THE ORGANIZATION FROM THE HIGHER OFFICERS OF SCIENTOLOGY."
12. PRONOUNCING SCIENTOLOGISTS GUILTY OF THE PRACTICE OF STANDARD SCIENTOLOGY.
13. WILLFUL LOSS OR DESTRUCTION OF CHURCH PROPERTY.
14. HOLDING SCIENTOLOGY MATERIALS OR POLICIES UP TO RIDICULE, CONTEMP OR SCORN.
15. SPREADING DESTRUCTIVE RUMOURS ABOUT SENIOR SCIENTOLOGISTS.
16. PRETENDING TO EXPRESS A MULTIPLE OPINION (USE OF "EVERYBODY") IN VITAL REPORTS.
17. BEING A KNOWING ACCESSORY TO A SUPPRESSIVE ACT.
18. FAILURE TO HANDLE OR DISAVOW AND DISCONNECT FROM A PERSON DEMONSTRABLY GUILTY OF SUPPRESSIVE ACTS.

Since Gerry Armstrong left the Church, he has falsely represented himself to others and said he was on a "secret mission." Representing himself then as a staff member, he then misrepresented the actions of the Church and its members to others. Gerry has chronically misrepresented himself and others.

M

He has spoken out for LSD and LSD-proponent Timothy Leary knowing full well that such illicit drugs are strictly prohibited by the Church and that Church Founder L. Ron Hubbard has written against their usage or promotion due to their destructive nature. Knowing that LRH also has researched and written how to combat the effects of these illicit drugs, Gerry Armstrong has degraded LRH's research and prefers to promote the research of Timothy Leary.

Gerry has taken and sought to sell Church property. He has also failed to return Church property he obtained. He also falsified his Church financial records by failing to state the nature of the intended purchases and failing to spend the money for the approved items. Records by him show purchases for personal items as well as covering the expenses of non-Church companies.

Gerry was also found to be promulgating false information about the Church, its Founder and members. He used his position to create and transmit erroneous information under the guise of "documentation." Altered documents have been found in his area.

Should Gerry Armstrong come to his senses and wish to recant, he should apply steps A-E of HCO PL 16 May 80 III ETHICS, SUPPRESSIVE ACTS SUPPRESSION OF SCIENTOLOGY AND SCIENTOLOGISTS. Should he fail to apply these steps he will be expelled from the Church and be debarred. Should he claim the label or the charges to be false, he may request a Committee of Evidence per the above referenced policy.

His only terminal is the Continental Justice Chief PAC.

The above named squirrels have attempted to taint government with their false reports.

They have deliberately held policy up to scorn and altered such policies to suit their own destructive end.

Some of these squirrels have offered false testimony to the IRS in order to protect their overts against mankind and their only road out of this universe.

Several of them have misrepresented Scientology practices to the FBI or Justice Department in a futile attempt to taint the minds of the government and the courts against the Church of Scientology.

They have supported psychiatric aims and principles over Scientology principles in their misrepresentations to Department of Justice representatives as well as Boston lawyer Michael Flynn.

They have turned from ethical and moral Scientology principles by demanding no ethics be applied to them or by them.

Several of them have spoken out against Scientologists in good standing to the IRS in a hope that they might escape from their own destructive acts and shift attention from themselves and their crimes.

They have altered and assisted in the alteration of Tech in an attempt to seal off the bridge to those who have fallen prey to their destructive intentions.

They have altered and assisted in the alteration of Tech in an attempt to seal off the bridge to those who have fallen prey to their destructive intentions.

Their continued harmful acts to themselves and their continued desire to drag others to the level of beasts and animals devoid of spiritual qualities places them in the psychiatric camp of those who manufacture madness for profit.

Therefore, be it known that these acts of spiritual destruction and cries for no ethics, no morals, and no policy, have separated them from the body of the ethical and practicing Scientologists of this planet.

Dedicated Scientologists need not support them until they have fully recanted and fully fulfilled all of the requirements of the Ethics and Justice P/Ls dealing with suppressives and suppressive acts.

This ED is written that those who are not informed as to the acts of those named above may now be so informed.

It is written so that those who are not Scientologists may be warned that these individuals do not represent the Church or the religion of Scientology in any capacity.

Their only terminal is the International Justice Chief.
